

Yna Gil

Yna has served in the field of education since 2010. She is currently working toward her Bachelors of Arts degree in accounting and microeconomics at Broward College.

Her expertise and professional experience is multi-faceted, including but not limited to admissions, registration, human resources, fundraising, event planning, marketing, website design, social media and community outreach. Currently, Yna is responsible for the financial, tax and accounting functions for STEPSS/Christi Academy. This includes budgeting, planning and negotiations with various financial institutions. Her experience, combined with her education and passion to help those in the developmentally disabled community makes her an effective asset for any company who's prime goal is to mainstream those within that community. It is because of her effectiveness at STEPSS/Christi Academy, Yna was recently offered ownership in the company. Having been offered ownership in STEPSS/Christi Academy, speaks volumes on how the company perceives her value.

Previously, Yna directed and implemented therapy programs at Therapeeds in Davie Florida.
